# Opportunity

We're expanding family and are seeking interactive performers/workshop leaders for themed events in the Midlands this summer. We'd love to hear from you if you love and want to share circus as much as we do and have the requirements above!

## You must be able to

- Draw and entertain a crowd, improvise on the spot and interact with your audience.
- Perform a 10-15 minute show including Juggling and other circus skills. (A rehearsal will happen before hand)
- Roam around the venue with a mobile workshop and interact with audience members as you go, engaging families in learning circus.
- Act the fool, comically 'mess' around and have a playful approach, bringing out your inner clown.

## Other Desirables

- All of our professional shows and workshops help fund our community programme, Circusmash, where we are inspiring the next generation of performers. We want to work with performers who may be interested in working with us at Circusmash as well as through our professional opportunities at House of Mash. Come and talk to us.
- We're a team that muck in together. We help each other, we cover each other and we support each other. We are looking for people who share this ethos.
