DROP-IN WORKSHOP STATIONS

Our Circus Workshop Stations are drop in, pop-up mini workshops that we set up as part of an event where anyone can drop in as they please to sample circus skills.

This format works well as one of a number of different activities, such as at a festival or fete. If we are the only entertainment at your event, a structured skills workshop (above) may be more suitable.

Suitable for: Fairs, fetes, festivals and larger events

We teach a variety of skills including:

- Juggling
- Plate spinning
- Diabolo
- Poi
- Hula hooping
- Balance skills
- Pedal gos
- We also offer add-ons if you would like to include **Aerial Skills**

“ just superb, really good fun. We were out of our comfort zone, but felt totally safe and had a great time trying juggling, diabolo, aerial and acro. We felt a real sense of achievement!”

Abigail McMillan, Attendee
